"The course gave me time to reflect, plan and think strategically - as a result the organisation is on a much firmer footing. I wish I'd done the course years ago; it is very useful, and I am proud to be part of it"

Bob Green
Chief Executive Stonewall Housing.

The Course Covers:

Leadership and Management

Finance for Non-Finance Managers

Organisational Development

Governance, Risk and Ethics

Time

Students will need to commit to 18 days over the 2 semesters which run from September 2020 to June 2021.

Costs

London Housing Foundation will cover 50% of the costs of the course for each student and can offer additional assistance if this is necessary. No organisation will pay more than £1350 per student.

“It is very relevant. It opened my eyes, allowed me to scrutinise and challenge my organisation. I am more confident to progress and I am much better at what I do now; I can help Thames Reach to grow.”

Yvonne Scott-Henry - Area Manager Thames Reach.

LHF is proud of our students' extraordinary results. Since 2015, 100 students from over 40 organisations have enrolled. Most have gained either a merit or a distinction and over a third have achieved promotion.

"It's easy to carry on doing what you've always done, without understanding why, so it can be difficult to know how to approach new challenges. LHF sponsorship was really helpful and the course has given me the tools to be the kind of leader I want to be"

Lou Holland -
Head of Property Services, SHP.

"The focus on leadership, especially governance, helped me progress in my role. This is not just an academic course – it has a business edge to it and a fantastic opportunity to build on external opportunities."

Guy Robinson -
Director of Housing and Support, Look Ahead

Cumberland Lodge

The course starts with a two day residential at the beautiful Cumberland Lodge in Windsor Great Park.

As well as a chance to get to know others on the course, this is a good opportunity to hear from high profile guest speakers.

Professional Development Programme

Graduates of the course are eligible for the LHF-funded Professional Development Programme.

There is a range of one day courses covering presentation skills, dealing with the media, crisis communications, social media and negotiating and influencing.

Graduates can also apply for a study trip bursary.

"I completed the post-graduate certificate in Leadership and Management in 2016, The course has continued to benefit both me and my organisation.
